RE: U.S. Patent Application Serial No. 10/650,023  
Applicants: LOMBARD et al.  
Filed: 08/27/2003  
Examiner: Helen P. PRATT  
Group Art Unit 1761

Dear Mr. Cano:

This is in response to our telephone conversation this afternoon, wherein you indicated that our Amendment and Summary of Telephonic Interview dated September 28, 2006, which was filed in the US PTO via certificate of mailing dated September 28, 2006, was not found by the US PTO personnel. You requested that I fax a copy of the Amendment and Summary of Telephonic Interview to you and you would have it scanned into PAIR.

Submitted herewith is a copy of the Amendment and Summary of Telephonic Interview as filed together with a copy of the check for \$300.00 (for additional claim fee) & postcard which accompanied the Amendment. Also submitted herewith is a copy of the postcard receipt stamped by OIPE of the US PTO dated October 2, 2006, which is evidence of receipt of the Amendment by the US PTO.

Thank you for your assistance in connection with this matter, and we appreciate your having the Amendment scanned into PAIR. Please do not hesitate to contact us at 703-383-4800 if you need further information or have any questions about the attached documents.
